This Is Startling News—Sale White Lingerie Dresses

FOR WOMEN
 FOR MISSES
 FOR JUNIORS **\$1.00**

A SPECIAL purchase—one of the most important captures this store has ever made for its customers. Dresses from a manufacturer famous for the fine character of workmanship he puts into expensive dresses. Some were made up as samples and others are dresses that were made up too late to fill special orders. There are five styles, made up in the most attractive manner. Go where you may, search where you will and you'll never find the equal of these dresses for one dollar—in fact, you'll probably wonder, when you see them, how they could be made even for that money. They are of white lawns, handsomely made and trimmed in Val and Cluny lace edges and insertions and tucks; open down back; 3-4 and 7-8 sleeves; V and square necks. The workmanship is superb and there's a total absence of anything about them that looks cheap. They were bought by us at less than the bare cost of materials that went into them. We will not state the value here, but will let you decide that when you come. OUR opinion is that they are the best dresses ever sold at..... **\$1.00**

\$10 Hats Are Now \$4.95

The \$10 hats are from the lines we sell regularly at that price and are the ones we have featured for some time at that price—but in reality were worth more. Equal in appearance and quality to the average hats at \$12.50 and \$15.00, though we never claimed them to be worth those amounts. They were really exceptional values, however, at \$10, and at \$4.95 they are the greatest bargains of the year. A wide variety of styles to select from in Milans and Hemps, trimmed with ribbons, flowers, fancy feather effects, etc. Choice of the lot,..... **\$4.95**
